

AGENDA

OF MID-TERM WORKSHOP

Project title	Joint management of Latvian – Lithuanian transboundary river and lake water bodies
Project acronym, number	TRANSWAT, LLI-533
Meeting place	Lithuanian Energy Institute Breslaujos str. 3, LT-44403 Kaunas, Lithuania
Meeting date	7-8.09.2021

2021 09 07 (1st day)

- 11:00 – 12:00 **Registration and lunch**
- 12:00 – 12:20 **Overview of project (results)**
Tatjana Kolcova, Project manager
- 12:20 – 12:50 **Review of national legislations in the field of water uses**
Diana Šarauskiėnė, LEI Ecohydrology expert
- 12:50 – 13:20 **Review of existing hydrological data in Lithuanian water bodies**
Vytautas Akstinas, LEI Hydromorphology expert
- 13:20 – 13:50 **Review of existing hydrological data in Latvian water bodies**
Samanta Zaiceva, LEGMC Hydro-morphology expert
- 13:50 – 14:20 **Ecological quality and fish communities in Lithuanian water bodies**
Tomas Virbickas, NRC Ecology expert
- 14:20 – 14:35 **Ecological quality of Latvian water bodies**
Jolanta Jekabsone, LEGMC Ecohydrology expert
- 14:35 – 14:50 **Fish communities in Latvian water bodies**
Kaspars Abersons, BIOR Lead expert
- 14:50 – 15:05 **First results from field surveys in transboundary lakes**
Ilga Kokorite, LU Project manager
- 15:05 – 15:30 **Coffee break**

- 15:30 – 16:00 **Results of Garais/Ilgu Lake water shad modelling**
Margita Bruzgo, LEGMC Hydrogeology expert
- 16:00 – 16:20 **Results of preparation of lakes bathymetry**
Ruta Medne, BIOR Project manager
- 16:20 – 17:00 **Methodology of lake ecosystem health assessment and groundwater role in it**
Inga Retike, LU Hydrogeology expert
- 17:00 – 18:00 **Discussions**
Moderator – Jūratē Kriaučiūnienē, LEI Project Manager

2021 09 08 (2nd day)

- 8:30 – 9:00 **Registration and coffee**
- 9:00 – 9:10 **Short review of previous day results**
Tatjana Kolcova, Project Manager
- 9:10 – 9:30 **Lessons and issues from project LIFE GOODWATER IP**
Linda Fibiga, LIFE GOODWATER IP Project Manager
- 9:30 – 10:00 **First results of field surveys in the rivers**
Vytautas Akstinas (LEI Hydromorphology expert) and Jolanta Jekabsone (LGVMC Ecohydrology expert)
- 10:00 – 10:30 **First results from field surveys in transboundary lakes**
Ilgā Kokorīte, LU project manager
- 10:30 – 11:00 **Project budget issues**
Intars Čakars, Project financial manager
- 11:00 – 12:00 **Lunch**
- 12:00 – 15:00 **Discussion on the project implementations in the period 2 and possible changes in the project**
Tatjana Kolcova and all project partners
- 15:00 – 16:30 **Other important issues and closure of meeting**
Jūratē Kriaučiūnienē, LEI Project Manager
