Interreg

Co-funded by the European Union

Latvia – Lithuania

Interreg VI-A Latvia–Lithuania Programme 2021–2027

4th Call for Proposals

Open ·from 27 October 2026 ·until 18 January 2027 15:00 EET

Take your project results further!

The 4th Call for Proposals is designed to **make the most** of the results of projects funded by the Latvia–Lithuania Programme 2021–2027. It supports the **transfer, adaptation, combination and wider use** of **existing knowledge, solutions** and **good practices**, as well as their **further improvement and upscaling**.

Check the Programme Manual for detailed 4th Call requirements
www.latlit.eu/calls-for-proposals/4th-call-for-proposals/

Programme Objective

To support the sustainable and cohesive socio-economic development of the Programme regions and make them more competitive and attractive places to live, study, work and visit.

Programme area:
Latvia
Kurzeme, Zemgale and Latgale
Lithuania
the counties of Klaipėda, Telšiai, Šiauliai, Panevėžys and Utena

Supported projects

Priority 1
Capacity building and people-to-people cooperation

Project duration up to 12 months

Projects may build on outcomes* from project(s) of any Programme priority

***An outcome** is a result, solution, method, tool or other achievement developed by a project approved under the Programme's 1st, 2nd or 3rd Call, or by an OSI project.

Completely new project ideas **without a strong link** to **previous** Programme project outcomes **are not supported**
