

Experience Exchange Seminar on Family Digital Centres in Latvia

You are invited to an online event: *Latgale Central Library (Latvia) and Preiļi Main Library (Latvia)*
Experience in Providing Family Digital Centres for Families and Everyone

Date & Time:

June 18, 2025 | 10:00 AM (GMT+3)

Format: Online seminar (link will be provided upon registration)

Join us for an inspiring and practical online seminar where Latvian librarians from **Latgale Central Library (Daugavpils)** and **Preiļi Main Library** will share their experience in developing and running **Family Digital Centres**—spaces designed to foster digital literacy, inclusion, and community engagement.

This event is part of the cross-border project:

**“Empowering Everyone: Advancing Family Digital Activity Hubs in Latvia and Lithuania”
(Project DigiAll LL-0020)**

The project aims to expand the DigiHub model with a strong focus on social integration, inclusivity, and digital competence through innovative educational approaches and technology.

Who Should Attend:

This event is especially tailored for 40 librarians from Lithuania – 20 from Utena Public Library and 20 from Zarasai Public Library – who are actively working with diverse target groups including migrants, the elderly, refugees, and individuals from disadvantaged backgrounds.

What to Expect:

During the 4-hour seminar, participants will:

- Explore the accomplishments and practices of DigiHubs in Latvia
- Compare models and strategies used in different regions
- Gain practical insights on audience engagement and digital skill development
- Exchange ideas for improving services in their own communities
- Strengthen cooperation between Latvian and Lithuanian public libraries

This seminar will be particularly valuable for librarians, offering new tools and approaches to support digital inclusion in underserved communities. Let's learn together, get inspired, and take the next step in shaping inclusive digital futures for all.
